And with eight consecutive 4-star ratings from Charity Navigator and a Platinum rating on Guide Star, you know your money is wisely invested.

The V Foundation for Cancer Research was founded by legendary basketball coach Jim Valvano with one goal in mind: to achieve Victory Over Cancer®. Since its formation in 1993, the V Foundation has awarded more than \$250 million in cancer research grants nationwide and has grown to become one of the premier supporters of cutting-edge cancer research. Due to generous donors, the Foundation has an endowment that covers administrative expenses.

“There are 86,400 seconds in a day. It’s up to you to decide what to do with them.”

~ JIM VALVANO
