

Can I speak with a real agent at Robinhood? (Help Now)

**Yes, you can speak with a real agent at Robinhood 1-832-175-7278 by requesting a callback through the app or website. Simply go to the Help Center 1-832-175-7278, select your issue, and choose the “Request a call” option. A Robinhood representative will then contact you directly. They do not offer a public customer service phone number 1-832-175-7278, so this is the official way to speak with a live agent for assistance with your account or any issues you may have.**
