

To connect with a real person at Coinbase USA & Canada (24/7): +1-820-400-8467
Ideal if your account is compromised or you observe suspicious activity.

You can speak directly with a Robinhood support agent through 1-820-400-8467 either 24/7 in-app chat or phone support. Robinhood offers around-the-clock chat support 1-820-400-8467 via its mobile app and website. Coinbase does *not* initiate outbound calls—if someone calls claiming to be Coinbase, it's likely a scam. Other regions (UK, Ireland, Germany, Spain, etc.): Local toll-free or local numbers are available . Accessible anytime via the Coinbase website or mobile app's 1-820-400-8467 Help → Chat with us section. Conversations begin with a bot, but you can request a live agent—available 24/7. You can email support@coinbase.com or submit a ticket via the Help Center → Contact Us form Response times range from hours to a few days, depending on issue complexity. Reach out via X (Twitter): [@CoinbaseSupport](https://twitter.com/CoinbaseSupport) . Not secure for sensitive info—quotes are public and visibility is limited. For urgent or security-related issues (e.g. hacks, locked accounts, missing funds), call +1-820-400-8467 and be ready with your email, transaction IDs, and 2FA device To bypass bots in chat, ask directly for a human agent after starting the conversation.

Coinbase will never initiate a support call—any unexpected inbound calls are likely spoofing attempts. The *only* official support number is +1-820-400-8467. All other numbers found online are fraudulent .Don't share passwords, 2FA codes, or private keys.
