

!!+[OffiCial@!]* Ilia Topuria vs Charles Oliveira **Live STreams** UFC 317 Fight - June 28, 2025

UFC 317 features a blockbuster main event as undefeated featherweight champion Ilia Topuria defends his title against former lightweight champion and submission maestro Charles Oliveira. This high-octane clash is more than a title bout—it's a collision of styles, momentum, and legacy. Both men are eager to stake their claim as one of the best in the sport, and fans are guaranteed an all-action war in the Octagon.

Ilia Topuria (15-0) comes into this fight riding an unstoppable wave of confidence. The 27-year-old Spanish-Georgian fighter shocked the world by dethroning longtime featherweight king Alexander Volkanovski in spectacular fashion. With elite boxing, knockout power, and underrated grappling, “El Matador” has quickly become one of the most feared fighters in the UFC. Topuria’s sharp striking and relentless pressure have made him a nightmare for opponents, and he’ll be looking to defend his newly acquired title with authority against one of the sport’s most decorated finishers.

Charles Oliveira (34-10, 1 NC), the former lightweight champion, is stepping down to featherweight in search of a second UFC belt. Known for holding the UFC record for most submission victories, “Do Bronx” combines fluid Muay Thai with lethal Brazilian Jiu-Jitsu. His comeback story—from journeyman to champion—is one of MMA’s most inspirational, and he remains one of the most dangerous fighters in any weight class. Oliveira’s ability to survive adversity and finish fights from any position will be his key weapon against Topuria.

This fight promises an incredible stylistic clash. Topuria’s striking and aggression could overwhelm Oliveira early, especially if the Brazilian struggles with the weight cut. However,

Oliveira thrives in chaos and has the ability to lock in submissions in the blink of an eye. If the fight hits the mat, Topuria will need to tread carefully to avoid getting caught.

At stake is not just a title, but a legacy-defining victory. For Topuria, it's a chance to solidify his dominance. For Oliveira, it's a shot at two-division greatness.
