Instagram activities such as instagram challenges and instagram giveaway content are excellent ways to gain new instagram followers especially for giveaway content setting criteria such as follow me and tag 3 friends will result in a rapid increase in instagram status

There is an easy solution for that by using our web app you can get up to 10000 free instagram followers comments and likes every day that will help you grow your account further increase traffic to your website and take your business to the next level

There are many ways you can tell if someone has fake followers the straightforward approach is to go and check each suspect s fake follower profile most of the bots acting as fake followers have very few posts and or activity on their page also many bots don t have a profile picture on their account or are using a photo taken on google image using google image reverse search will reveal a potential red flag

There is unfortunately a large business of buying and selling fake instagram followers why do people do it they do it to boost their engagement numbers some people want to increase their own follower numbers to make their accounts look more important and active than they really are they deliberately pay for fake people and bots to follow them for this to work however the fake accounts need to look genuine so they follow legitimate accounts in the hope that these people follow them back

If you ve found a caption that you really like and want to continue building on it check out the more like this feature our instagram caption generator tool boasts unlike the make more option which adds more captions to the original list the more like this feature generates additional copy based on a particular instagram caption

A big follower count means nothing if it consists of fake profiles inactive accounts and ghost followers don t waste your time and money on fake influencers who charge big bucks without an engaged audience our audit tool brings social proof to your social media marketing

Conclusion

The days are long gone since you could say it must be true i read it on the internet you cannot just assume that if somebody claims they large numbers of followers on

instagram that these people take any interest in the person s account or indeed that these followers are real people at all

There are many ways you can make an income using instagram this starts with having a great page this great page must have high quality content that is targeted for a specific audience arguably this is the most important step towards making money on instagram
